Luxurious Linen—the fabric cherished through ages is now made into Rugs!

Klearflax LINEN RUGS

actually permit you to walk on linen—the fabric which has always been a symbol for richness and luxury. Heavily woven, staunch and thick, these rugs are a genuine economy. For their first price is moderate and they outlast any other rug you ever had.

At the rug department of any of the leading stores ask, tomorrow, to see how richly the solid colors of these rugs combine with the most beautiful textures of upholstery and draperies.

COLORS to choose from: Camel, Pink, Blues, Orrens, Grays, Rose, Golden.

THE WESTERN RUG COMPANY, 212 Fifth Ave. (wholesale office only), N. Y.

PALE blue is the flower of the flax plant, grown from the earliest historical times for the linen it produces.

The Egyptians early invented the manufacture of carpets, for Homer (about 1000 B. C.) mentions them and calls them Tapeta—from which is derived "Tapestry." The Egyptians, however, made their carpets partly of linen and partly of wool. Klearflax rugs are made entirely of linen.
