

UNICUM *Real Human* HAIR NETS

After a Breezy Spin

—along the shore road, a canter through the park, a game of golf or tennis, or an evening of dancing, your hair protected by a "UNICUM" real human Hair Net will look as trim, well-dressed and tidy as when you gave it that "final touch" before your dressing mirror.

"UNICUM" Hair Nets are hand-made, with the *fineness* of invisibility of real human hair, treated by a special process which prevents it from changing shade or growing brittle. All colors—carefully matched. Two styles—"Fringe" and "Self-Adjusting Cap Shaped." Both easy to adjust. Both hold the hair securely.
