Let me point out in the driving compartment the ample leg-room, trim instrument board, adjustable pedals, long cane type gear shift lever—the thoroughly convenient and comfortable arrangement throughout.

WOMEN drivers have always given the Hupmobile more than a measure of approval. We predict that the Series "R" will excel in their favor all former Hupmobile models.

Its beautiful appearance—long, low body with graceful, sweeping lines—will instantly attract them.

On the scope of ease of operation the new Hupmobile takes front rank.

A tap of the foot operates the starter. Foot levers for clutch and brakes are especially soft operating and easily adjustable to suit all drivers. The hand brake lever can be pulled to the last notch with one finger.

Steering is easy: gear shifting is easy.

Women, whether they drive or not, cannot fail to appreciate the unusual comfort of the Series "R." Its deep, soft cushions, its roomy tonneau and driving compartment, its long, flexible springs, make riding the pleasure it should be.

To the best of our knowledge and belief, every guest, transient or permanent, of the Belleclaire—also every worker, even in the humblest capacity, is a genuine patriot—a subscriber to Liberty Bonds and a contributor to every organization that is helping in war work.

If we thought otherwise, we would lose no time in notifying them that the Belleclaire's doors would be closed to them. This is a home hotel, and every home in America must house patriots only.

Buying Liberty Bonds, contributing to Y. M. C. A., K. of C., Red Cross and other organizations, is not all we expect of guests and workers. We expect them to be economical in the consumption of food, also.

We do not tempt anybody with dishes that they can get along very well without.

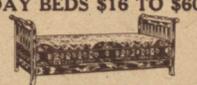

We serve the plainest kind of food, of the very best quality, cooked in home fashion, and there is plenty of it. Liberal portions are served, but our menu lists only a few dishes—consequently, there is no waste.

We try to get our guests to eat moderately so that the boys "over there" will have plenty.
