

**PARIS TAKES
NO CHANCES**

How the Louvre is
sandbagged against
Hun raids.

Photographs from Theo. Moissan

The famous winged Victory of Samothrace is snugly buried.

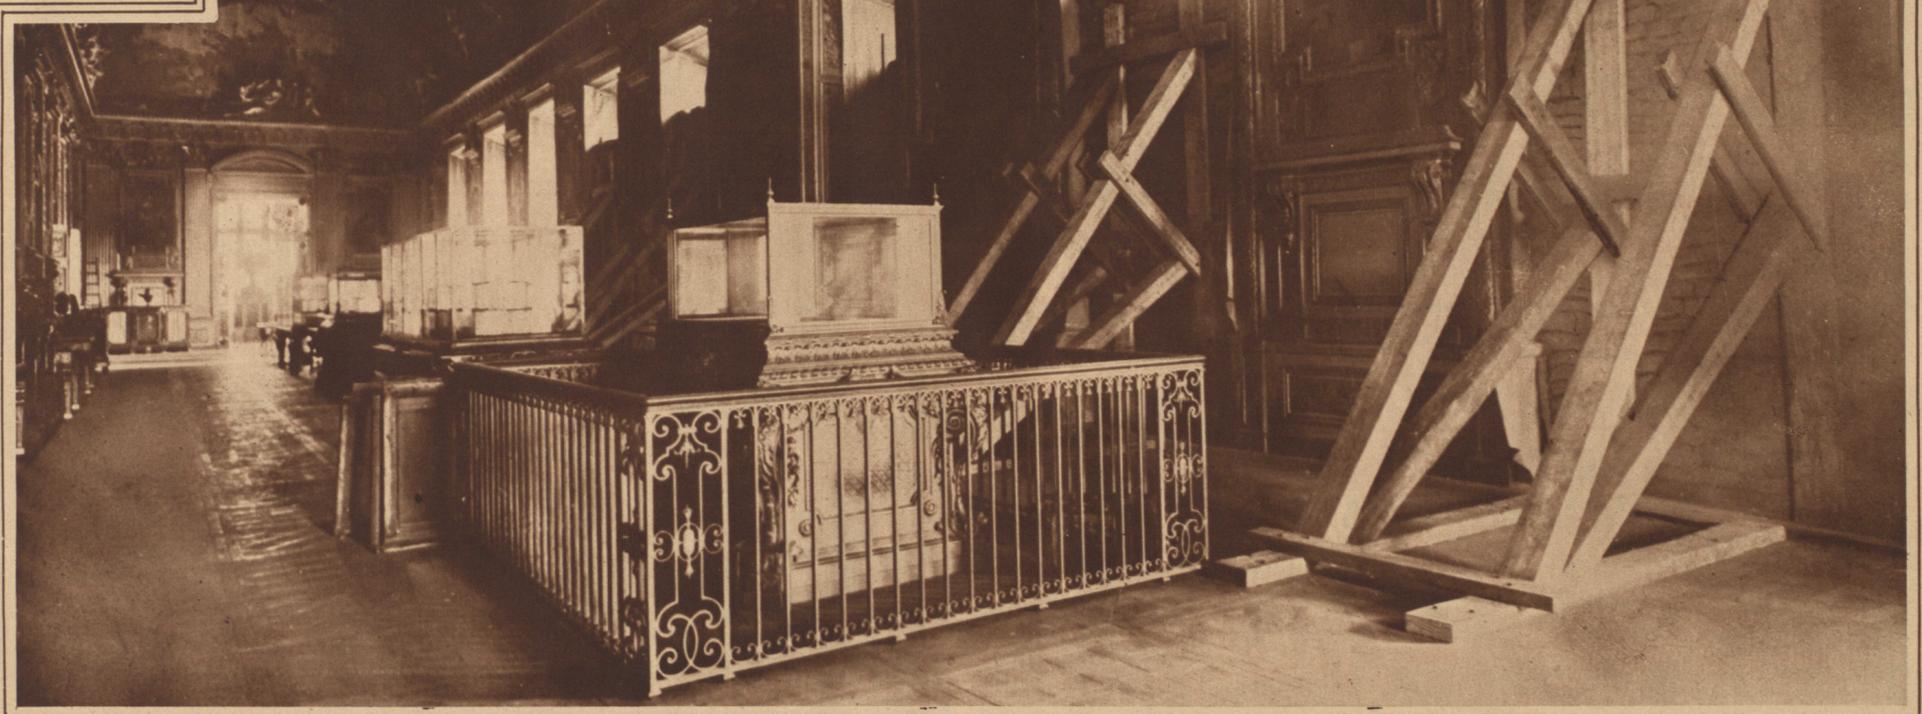

Yes, it's a vastly different place than in the happy tourist days! All that is left of the Salle Rubens.

The Grande Galerie is stripped of its priceless canvases, which have been stowed beyond the reach of barbarism.

The Salle de la Joconde, in which hung the celebrated Mona Lisa. The large canvases are in process of being taken down.

Wandering shells are going to find it difficult to penetrate the popular Galerie d'Apollon, where the crown jewels formerly dazzled the eyes of tourists.
