The AMPICO Reproducing Piano

Encore!

WHEN the Ampico is your orchestra, your guests make constant demand for "encore."

The Ampico reproduces all the artistry, all the poetic magnetism and glowing tone quality of the pianist who recorded the roll. There is form and fullness and personality in every bar. Golden melody, sparkling with genius, sings forth from the "bewitched" instrument—it is as if you had engaged a famous master of the pianoforte to play for your entertainment.

In your own home you may have music such as this. Music for you, your family and your friends, such as it would cost thousands to duplicate on the concert stage. To your home life the Ampico adds the perfecting touch of exquisite music.
