

A Great Household Convenience

A pound package of Krystalak, at 50c, will make five quarts of milk for cooking—10c a quart—and you know what bottled milk costs you now. It is just pure, dry, separated milk from which all the water has been expelled. Keep it on your pantry shelf and make milk whenever you need it by adding four level tablespoons of Krystalak to one cup of water. Approved by Dr. Wiley, Good House-keeping Institute and leading domestic science authorities.

KRYSTALAK

Cuts Down the Milk Expense

The milkman may fail you—you may run out of milk or it may sour, but with a carton of Krystalak at hand you are never forced to go to the store for milk. It saves a lot of money, too. Will keep for weeks. Requires no icing. Clean and pure, without sweetening or adulteration. Sold only in package shown above.

Free—Book of Fine Recipes

Write today for book of fine recipes, or obtain one free at any of the following stores, which sell Krystalak. Get a pound package and see what a money-saving household convenience it is.

For Sale at Your Grocer's or Any of the Stores Listed Below:

CHRISTMAS GROUPS

THIS year, of all years, give worthily, enduringly, —give something really worth while. Imagine the happiness of "Someone" if she received from you a gift of a Rose Garden—yes, a real Rose Garden!—not cut flowers to wither away, but a collection of rose plants to gladden the possessor every year with their beauty and fragrance. \$5 or \$10, or more, as you wish, will pay for such a gift—and we attend to every detail. Or imagine the joy of the "Young Couple" to whom you send a "Baby Orchard" of Growing Fruit Trees!—(\$6 and up)—what a sweet harvest every year to remind them of the giver! And for the sake of the Kiddies, your own or someone else's—give a Group of Evergreens (as illustrated) to shelter them against cold winds in their winter play. Or a Cosy Evergreen Cove to Wite or Mother (or both)—to provide a retreat and restful nook in summer, and lend warmth and cheer to the home landscape in winter. How much it will mean in comfort—and in grateful memories! And to the Man?—a Trellis of Grape-Vines, to beautify his ugly garage and tickle his epicurean palate! To the Bird-Lover—a Sanctuary of Bright-berried Shrubs to give food and shelter and a warm welcome to the winter-tarrying birds—both the bird-lover and the birds will bless you! The cost is so low—the happiness you give so great—and we do all the work—so why hesitate? Write us at once—ask for our Gift Folder—or, better still, turn your Xmas Problem over to us—and let us do the rest!
